

Type Certificate

GL Renewables Statement No. **TC-GL-015A-2010**

We hereby certify that the condition monitoring system

FAG WiPro_s

designed and manufactured by **FAG Industrial Services GmbH**
Kaiserstr. 100
52134 Herzogenrath, Germany

has been assessed by Germanischer Lloyd Industrial Services GmbH, Renewables Certification concerning the system design, the prototype testing and the manufacturer's quality system.

The Type Certificate is based on the indicated documents as follows:

Report No. 74082-16 Certification Report for the Condition Monitoring System dated 17th December 2010

Certificate Register No. 09 100 70744 TÜV Rheinland Certificate of Approval acc. to ISO 9001:2008 valid until 31st August 2011

Normative references: "Guideline for the Certification of Condition Monitoring Systems for Wind Turbines", 2007 Edition, Germanischer Lloyd

Changes of the system design or the manufacturer's quality system are to be approved by Germanischer Lloyd Industrial Services GmbH, Renewables Certification otherwise the Type Certificate loses its validity.

This Type Certificate is valid until **16th December 2012**, if the validity of the certificate for the Quality Management system is maintained.
